The Friends of CJPL continues to support the library with volunteers, programming, and overall strategic plan actions. 2020 was certainly one for the record books, and CJPL's patrons and Friends have been nothing but spectacular with all the new things we've tried! From take-home programming, to family activities, starting a podcast, more video content, and a hybrid summer reading program - it's certainly looked and felt a lot different.

So we're going to continue to embrace change over the next year, and we're excited to try some new contests on social media, debut our TikTok account, and host our first ever winter reading program! Plus, continuing with all your new faves from the last year! As always, thank you for your support and excitement about the library!

Annual Fundraising Drive

We know it's not a "novel" idea, but can we count on your support?

Friends 2021 Membership Denomination of your Choice

The first 15 donations received wins a prize from the Friends as well!

Show your library love with swag:
\$15 for "Just One More Chapter" mug & recipe booklet of mug recipes from the Friends - discounts on orders of multiple mugs!

\$1 Library pin (5 designs)

We have all items "in stock" at the library - they'll be ready to pick up whenever you'd like to stop in. Payment still accepted via mail, in person, or PayPal.

For your giving ways, we give you praise!
